

Indoor Luxury Floor Lanterns PRODUCT INFORMATION SHEET

Indoor Luxury Digital Display Lanterns

Designed to elevate modern corporate interiors through immersive digital communication and architectural presence, the digital display lanterns by PADS Design Studio offer a sophisticated solution for branding, advertising, and visitor engagement within premium commercial environments. Combining sculptural form with integrated high-resolution digital display technology, these statement installations serve as dynamic focal points for reception areas, corporate headquarters, hotels, conference centres, and mixed-use developments. The illuminated cylindrical structure enables seamless presentation of promotional content, company messaging, event information, and branded media while enhancing the surrounding space with a refined contemporary aesthetic. Engineered for flexibility and high visual impact, the lanterns can be customised with corporate graphics, interactive digital content, and bespoke finishes, creating a powerful platform for experiential branding, wayfinding, and high-end environmental design.

Available in a wide range of lantern grille styles and finishes to suit your design scheme.
